President's Message

Greetings my heat-soaked brethren! We have returned from the desert oasis of Pahrump, NV—well, not really, but what a facility the Spring Mountain Track is! We had 5 AZ Vipers on the track—good running in the 4 morning blocks, with only the diehards continuing in the 2 afternoon sessions. An excellent track for the Viper, and as announced while we were there, now the site for the Viper Racing League finale (and Viper Days) Oct. 22-25. This has been moved from Daytona, due to track condition problems.

I invite you to check out our "air conditioned friendly" schedule for the rest of the summer leading up to VOI 11, Sept. 30-Oct. 3 in

Salt Lake City. If you haven't already signed up for VOI, I strongly recommend you reconsider! This is the premier event for celebration and enjoyment of everything Viper, and if there is a VOI 12, you can probably bet it won't be in our part of the country. We have a great cruise planned for those driving up through Page and Lake Powell, a visit to Zion National Park, with an overnight in St. George, UT. The next morning we'll spend in Bryce Canyon National Park before continuing to Salt Lake. The return trip is still open, although we may try to plan something in Las Vegas. There will be 2 groups going up: One leaving on Tues., Sept. 28 and another on Wed., Sept. 29th. There

will also be transport available for those that don't want to drive their car to Salt Lake at very affordable rates. You don't have to take your car to attend, as Dodge will be providing Vipers for the driving events, but they will not be available for your 'off track' day which includes a scenic cruise up to Park City. The Arizona Club will also be providing attendees with a very special gift. Don't miss this event! Visit the site: www.VOIII.com.

We look forward to seeing you at our upcoming events, and as always, we solicit any ideas you may have for our 2011 Calendar. —Rich Link

Prescott - April

Cruising up through Wickenburg and Yarnell (the back way to Prescott) can be a challenge to a common vehicle, but NOT the Viper. We made it in record time to the Firehouse Plaza for lunch and then a stroll around the Courthouse to search for dessert, our favorite . . . Ice cream!

Fred & Karen Dickens below:

Sedona - May

The cruise up I-17 and then down through Oak Creek Canyon was a beautiful prelude to a wonderful barbeque catered lunch at the home of Dennis and Mitzi Jex. The Sedona red rock back drop to their patio was an enchanting place to enjoy the fabulous food. Thank you Dennis and Mitzi for a memorable afternoon!

Spring Mountain—Pahrump, NV Track Event — June

Thanks to the SoCal Viper Club and Michael & Virginia von Quilich, five AZ Vipers were able to take advantage of the country club atmosphere of the Spring Mountain Motorsports Ranch. We had a catered dinner at the von Quilich 'Garage Mahal' with

35 other Viper owners and two great track days with our racers, Roger Morgan, Jim Schlemm, Rich Link, George MacDonald and Barry Kolesar. They may have lost a pound of sweat or two. Zoom—Zoom

Future AZ Viper Events

- July 24
- Indoor Go-Karts
- August 21
- Mystery Dinner
- September 11
- Tech Session
- September 30
- VOI
- November 13
- Poker Run
- December 4
- Holiday Party
